

CCTF

CLASS 150 STAINLESS STEEL FITTINGS

- CCTF supplies a wide variety of 150 cast stainless fittings.
- Threaded up to NPS 4" and socket weld up to NPS 2" sizes available.
- Grades 304 and 316 are available.

- Threads conform to ANSI/ASME B1.20.1.
- The 150 cast stainless fittings that CCTF sells are not for applications where CRNs (Canadian Registration Numbers) are required.
- CCTF has performed a burst test on the Yih Tai brand that it stocks, to verify the design safely meets the pressure ratings specified in recognized North American standard MSS SP114.
